## 1.Introduction:

I am presenting a project assignment like on the GROCERY WEBSITE. In this project I have tried to give all the important things and information about project. A project is an activity that helps us to improve our planning and critical thinking ability.

## 2. Objective:

The main objective of the Project on Grocery website is to provide all the essential grocery item at one place and provide organic product on large scale.

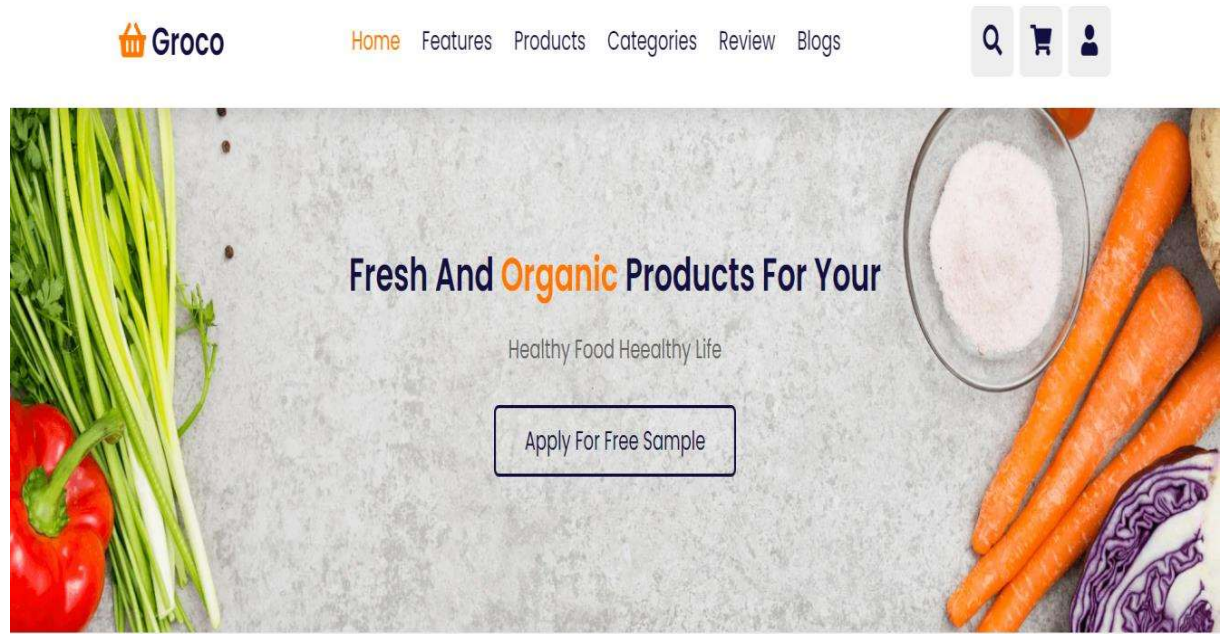

This project also gives information about the content of any shopping center to anyone who so want to check current prices of available products, order products and spend less time in the market.

## 3. Resources Used

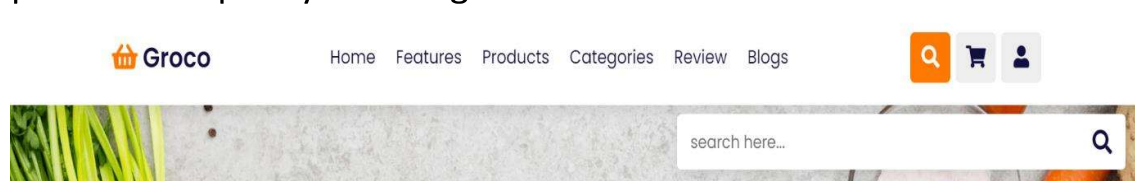

1. Own Css
- 2.w3.CSS classes
- 3.Bootstrap 5
